

# Invite † Welcome † Grow

## Christmas 2007 Invitational Postcard Design

The actual postcards will be 6x9 inches in size and will be printed on 12pt C2S Cardstock  
The card will be personalized with your church and diocese information.

The design of the postcard for the Christmas 2007 invitational mailing is based on the Christmas 2007 Welcome Poster. As with previous mailing programs, the mailings of neighboring parishes will be coordinated so that parishes do not inadvertently solicit each other's parishioners nor will any prospect get invitational postcards from more than one participating parish. The costs are summarized in the accompanying cost sheet and order form

In order to assure that the postcards are delivered no later than December 15, 2007, we need to mail them by December 5, 2007. Therefore, we have established the following deadlines:

Friday November 2, 2007 — last day to sign up for the program  
Friday November 16, 2007 — last day to approve artwork

To participate, please fill in that accompanying order form or for more information contact:
