Joint Notice of Privacy Practices

This notice describes how medical information about you may be used and disclosed and how you can get access to this information. Please review it carefully.

Introduction

Church Pension Group Services Corporation, doing business as The Episcopal Church Medical Trust (Medical Trust), is the plan sponsor of certain group health plans (each a Plan and together the Plans) that are subject to the Health Insurance Portability and Accountability Act of 1996 and the regulations enacted thereunder (HIPAA).

HIPAA places certain restrictions on the use and disclosure of Protected Health Information (PHI) and requires the Medical Trust to provide this Joint Notice of Privacy Practices (the "Notice") to you. PHI is your individually identifiable health information that is created, received, transmitted or maintained by the Plans or its business associates, regardless of the form of the information. It does not include employment records held by your employer in its role as an employer. This Notice describes how your PHI may be used and disclosed by the Plans and by employees of the Medical Trust that are responsible for internal administration of the Plans.

It also describes your rights regarding the use and disclosure of such PHI and how you can gain access to it.

What This Notice Applies To

This Notice applies only to health benefits offered under the Plans. The health benefits offered under the Plans include, but may not be limited to, medical benefits, prescription drug benefits, dental benefits, the health care flexible spending account, and any health care or medical services offered under the employee assistance program benefit. This Notice does not apply to benefits offered under the Plans that are not health benefits.

Some of the Plans provide benefits through the purchase of insurance. If you are enrolled in an insured Plan, you will also receive a separate notice from that Plan, which applies to your rights under that Plan.

Duties and Obligations of the Plans

The privacy of your PHI is protected by HIPAA. The Plans are required by law to:

- Maintain the privacy of your PHI
- Provide you with a notice of the Plans' legal duties and privacy practices with respect to your PHI
- Abide by the terms of the Notice currently in effect

When the Plans May Use and Disclose Your PHI

The following categories describe the ways the Plans are required to use and disclose your PHI without obtaining your written authorization:

Disclosures to You. The Plans will disclose your PHI to you or your personal representative within the legally specified period following a request.

Government Audit. The Plans will make your PHI available to the U.S. Department of Health and Human Services when it requests information relating to the privacy of PHI.

As Required By Law. The Plans will disclose your PHI when required to do so by federal, state or local law. For example, the Plans may disclose your PHI when required by national security laws or public health disclosure laws.

The following categories describe the ways that the Plans *may* use and disclose your PHI without obtaining your written authorization:

- **Treatment.** The Plans may disclose your PHI to your providers for treatment, including the provision of care or the management of that care. For example, the Plans might disclose PHI to assist in diagnosing a medical condition or for pre-certification activities.
- **Payment.** The Plans may use and disclose your PHI to pay benefits. For example, the Plans might use or disclose PHI when processing payments, sending explanations of benefits (EOBs) to you, reviewing the medical necessity of services rendered, conducting claims appeals and coordinating the payment of benefits between multiple medical plans.
- **Health Care Operations.** The Plans may use and disclose your PHI for Plan operational purposes. For example, the Plans may use or disclose PHI for quality assessment and claim audits.
- **Public Health Risks.** The Plans may disclose your PHI for certain required public health activities (such as reporting disease outbreaks) or to prevent serious harm to you or other potential victims where abuse, neglect or domestic violence is involved.
- **National Security and Intelligence Activities.** The Plans may disclose your PHI for specialized government functions (such as national security and intelligence activities).
- **Health Oversight Activities.** The Plans may disclose your PHI to health oversight agencies for activities authorized by law (such as audits, inspections, investigations and licensure).
- **Lawsuits and Disputes.** The Plans may disclose your PHI in the course of any judicial or administrative proceeding in response to a court's or administrative tribunal's order, subpoena, discovery request or other lawful process.
- **Law Enforcement.** The Plans may disclose your PHI for a law enforcement purpose to a law enforcement official, if certain legal conditions are met (such as providing limited information to locate a missing person).
- **Research.** The Plans may disclose your PHI for research studies that meet all privacy law requirements (such as research related to the prevention of disease or disability).
- **To Avert a Serious Threat to Health or Safety.** The Plans may disclose your PHI to avert a serious threat to the health or safety of you or any other person.
- **Workers' Compensation.** The Plans may disclose your PHI to the extent necessary to comply with laws and regulations related to workers' compensation or similar programs.
- **Coroners, Medical Examiners and Funeral Directors.** The Plans may disclose your PHI to coroners, medical examiners or funeral directors for purposes of identifying a decedent, determining a cause of death or carrying out their respective duties with respect to a decedent.
- **Organ and Tissue Donation.** If you are an organ donor, the Plans may release your PHI to organizations that handle organ procurement or organ, eye or tissue transplantation or to an organ donation bank, as necessary to facilitate organ or tissue donation and transplantation.
- **Military and Veterans.** If you are a member of the armed forces, the Plans may release your PHI as required by military command authorities.
- **Inmates.** If you are an inmate of a correctional institution or under the custody of a law enforcement official, the Plans may release your PHI to the correctional institution or law enforcement official. This release would be necessary (1) for the institution to provide you with health care; (2) to protect your health and safety or the health and safety of others; or (3) for the safety and security of the correctional institution.
- **Business Associates.** The Plans may contract with other businesses for certain plan administrative services. The Plans may release your PHI to one or more of their business associates for plan administration if the business associate agrees in writing to protect the privacy of your information.

- Plan Sponsor. ECMT, as sponsor of the Plans, will have access to your PHI for plan administration purposes. Unless you authorize the Plans otherwise in writing (or your individual identifying data is deleted from the information), your PHI will be available only to the individuals who need this information to conduct these plan administration activities, but this release of your PHI will be limited to the minimum disclosure required, unless otherwise permitted or required by law.

The following categories describe the ways that the Plans *may* use and disclose your PHI upon obtaining your written authorization:

- Most uses and disclosures of psychotherapy notes;
- Uses and disclosures of PHI for marketing purposes; and
- Uses and disclosures that constitute a sale of PHI.

Any other use or disclosure of your PHI not identified in this section will be made only with your written authorization.

Authorizing Release of Your PHI

To authorize release of your PHI, you must complete a medical information authorization form. An authorization form is available at www.cpg.org or by calling (800) 480-9967. You have the right to limit the type of information that you authorize the Plans to disclose and the persons to whom it should be disclosed. You may revoke your written authorization at any time. The revocation will be followed to the extent action on the authorization has not yet been taken.

Interaction with State Privacy Laws

If the state in which you reside provides more stringent privacy protections than HIPAA, the more stringent state law will still apply to protect your rights. If you have a question about your rights under any particular federal or state law, please contact the Church Pension Group Privacy Officer. Contact information is included at the end of this Notice.

Fundraising

The Plans may contact you to support their fundraising activities. You have the right to opt out of receiving such communications.

Underwriting

The Plans are prohibited from using or disclosing PHI that is genetic information for underwriting purposes.

Your Rights With Respect to Your PHI

You have the following rights regarding PHI the Plans maintain about you:

Right to Request Restrictions. You have the right to request that the Plans restrict their uses and disclosures of your PHI. You will be required to provide specific information as to the disclosures that you wish to restrict and the reasons for your request. The Plans are not required to agree to a requested restriction, but may in certain circumstances. To request a restriction, please write to the Church Pension Group Privacy Officer and provide specific information as to the disclosures that you wish to restrict and the reasons for your request.

Right to Request Confidential Communications. You have the right to request that the Plans' confidential communications of your PHI be sent to another location or by alternative means. For example, you may ask that all EOBs be sent to your office rather than your home address. The Plans are not required to accommodate your request unless your request is reasonable and you state that the ordinary communication process could endanger you. To request confidential communications, please submit a written request to the Church Pension Group Privacy Officer.

Right to Inspect and Copy. You have the right to inspect and obtain a copy of the PHI held by the Plans. However, access to psychotherapy notes, information compiled in reasonable anticipation of or for use in legal proceedings, and under certain other, relatively unusual circumstances, may be denied. Your request should be made in writing to the Church Pension Group Privacy Officer. A reasonable fee may be imposed for

copying and mailing the requested information. You may contact the Medical Trust Plan Administration at jservais@cpvg.org for a full explanation of ECMT's fee structure.

Right to Amend. You have the right to request that the Plans amend your PHI or record if you believe the information is incorrect or incomplete. To request an amendment, you must submit a written request to the Medical Trust Plan Administration at jservais@cpvg.org. Your request must list the specific PHI you want amended and explain why it is incorrect or incomplete and be signed by you or your authorized representative. All amendment requests will be considered carefully. However, your request may be denied if the PHI or record that is subject to the request:

- Is not part of the medical information kept by or for the Plans;
- Was not created by or on behalf of the Plans or its third party administrators, unless the person or entity that created the information is no longer available to make the amendment;
- Is not part of the information that you are permitted to inspect and copy; or
- Is accurate and complete.

Right to an Accounting of Disclosures. You have the right to receive information about when your PHI has been disclosed to others. Certain exceptions apply to this rule. For example, a Plan does not need to account for disclosures made to you or with your written authorization, or for disclosures that occurred more than six years before your request. To request an accounting of disclosures, you must submit your request in writing to the Medical Trust-Plan Administration at jservais@cpvg.org and indicate in what form you want the accounting (e.g., paper or electronic). Your request must state a time period of no longer than six years and may not include dates before your coverage became effective. The Medical Trust Plan Administrator will then notify you of any additional information required for the accounting request. A Plan will provide you with the date on which a disclosure was made, the name of the person or entity to whom PHI was disclosed, a description of the PHI that was disclosed, the reason for the disclosure and certain other information. If you request this accounting more than once in a 12-month period, you may be charged a reasonable, cost-based fee for responding to these additional requests. You may contact Medical Trust Plan Administration at jservais@cpvg.org for a full explanation of the Medical Trust's fee structure.

Breach Notification. You have the right to receive a notification from the Plans if there is a breach of your unsecured PHI.

Right to a Paper Copy of This Notice. You are entitled to get a paper copy of this Notice at any time, even if you have agreed to receive it electronically. To obtain a paper copy of this Notice, please contact the Church Pension Group Privacy Officer.

HIPAA Notice of Special Enrollment Rights

This notice informs you of your right to enroll in a group health plan sponsored by The Episcopal Church Medical Trust (a "Medical Trust Plan") under the special enrollment provisions of the Health Insurance Portability and Accountability Act (HIPAA).

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in a Medical Trust Plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Also, if you or any of your dependents loses eligibility for coverage under Medicaid or the Children's Health Insurance Plan (CHIP) or if you or any of your dependents becomes eligible for premium assistance under Medicaid or CHIP, you may be able to enroll yourself and your dependents in a Medical Trust Plan. However, you must request enrollment within 60 days after this change.

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2023. Contact your State for more information on eligibility –

IMPORTANT NOTICE FROM THE EPISCOPAL CHURCH MEDICAL TRUST ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with The Episcopal Church Medical Trust (the Medical Trust) and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare prescription drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare prescription drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The Medical Trust has determined that the prescription drug coverage it offers is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join a Medicare Prescription Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare, and then each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you would then be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare prescription drug plan.

What Happens to Your Current Coverage If You Decide to Join a Medicare Prescription Drug Plan?

If you decide to join a Medicare drug plan, your current Medical Trust coverage may be affected. If you are enrolled in a Medical Trust plan offered to active employees (a non-Medicare plan) and you join a Medicare prescription drug (Medicare Part D) plan, you can keep your Medical Trust prescription drug coverage, and your Medical Trust prescription drug coverage will coordinate with Part D coverage. If you are enrolled in a retiree medical plan offered through the Medical Trust, because these retiree plans include prescription drug coverage through Medicare, you may not keep this coverage if you join another Medicare Part D plan. Please contact us for more information about what happens to your coverage if you enroll in a Medicare Part D plan.

If you do decide to enroll in a Medicare Part D plan and drop your Medical Trust coverage, be aware that you and your dependents will be able to renew your Medical Trust coverage during the Medical Trust's annual enrollment period or following certain significant life events.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Prescription Drug Plan?

You should also know that if you drop or lose your coverage with the Medical Trust and don't join a Medicare prescription drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare prescription drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may

go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) for as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.
